### SCHOOL REWARDS PROGRAM

The Portland Beavers Baseball Team is proud to be a part of the community and is looking forward to helping area schools this year. The Beavers have created a School Rewards Program that is an incentive-based program to reward students for meeting their goals with FREE tickets to a Beavers game! You as the teacher can choose what to reward your students for attendance, reading, time management, good behavior, good grades.

The student will receive a FREE ticket to one of our School Rewards Beavers games and family members and friends purchase additional tickets at a discount!

We will do all the work for you, this takes no extra time for the teachers except to pass out the rewards to their students.
